

Riley County Septic System Report

Telephone: 785-537-6332, ext. 7505, Fax 785-537-6331

- All septic tanks in Riley County must be **completely pumped** and inspected at a minimum of every **5 years**.
- Any "**No**" checked, except for the filter section, indicatives a failed septic system. A health department "**Repair Permit**" is required.
- Submit the completed inspection report to the Riley County Manhattan Health Department, **within 10 days**.

Septic System Owner: _____

Address: _____ Telephone: _____

Date: _____ Septic Tank Capacity: _____ (gallons) Depth: _____ (feet)
